<u>Friday, February 17:</u>	Lion's Club preschool vision screenings
<u>Monday, February 20:</u>	Inservice. No school.
<u>Tuesday, February 28:</u>	Lower Elementary KSO field trip

All families are invited to attend a special meeting next Tuesday, January 17 at 4:00. We need your involvement as stake holders as we discuss the impact and importance of technology in our classrooms as part of our ongoing SACS accreditation requirements. There will be sign up sheet up front if you are able to attend.

Don't forget that school is closed next Monday for Dr. King's birthday holiday.

We will have an Open House for prospective families on Thursday, January 19 from 6:30-8:30. Families already enrolled are also invited to attend if you have family members who have not yet seen your child's classroom or met the teachers. If you have children who are starting next year, this would be a great time to introduce them to their new classroom and/or teachers.
